

Dodd-Frank Policy

To the best of our knowledge, Triangle Refractory Materials (TRM) assures “DRC conflict-Free” for the metals of Tantalum, Tungsten, Tin, Gold and Cobalt.

TRM’s product(s) are processed without using any of the 3TG Metals (Tantalum, Tungsten, Tin, and Gold) and Cobalt originating, sourced and/or smelted from the Democratic Republic of Congo (DRC) or an adjoining country.

As defined in 2010 United States legislation, Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502 “Conflict Minerals in the Democratic Republic of Congo”. Additional information concerning DRC legislation issued by the US State Department may be obtained by visiting the following websites: www.sec.gov/about/laws/wallstreetreform-cpa.pdf

If you have any questions regarding this Dodd-Frank Policy, please contact us: sales@trmaterial.com.
